Spring Medicine

There is no other season when good medicine is so much needed as in the Spring.

The blood is impure, weak and impoverished—a condition indicated by pimples and other eruptions on the face and body, by deficient vitality, loss of appetite, lack of strength, and want of animation.

Hood's Sarsaparilla and Pills

Make the blood pure, vigorous and rich, create appetite, give vitality, strength and animation, and cure all eruptions. Have the whole family begin to take them today.

"Hood's Sarsaparilla has been used in our family for some time, and always with good results. Last spring I was all run down and got a bottle of it, and as usual received great benefit." Miss BELLA BOYCE, Stowe, Vt.

Hood's Sarsaparilla promises to cure and keeps the promise.

Mrs. B. A. Maxwell of Troy, formerly of this place, is the guest of Ralph A. Jones and wife.

H. I. Spafford has purchased for the Rutland railroad company the land owned by Amy and Foster Surdam adjoining the railroad yard north of the station here. This land was purchased for the purpose of enlarging the railroad yard at this place which is now entirely too small for the increased volume of freight traffic handled here. It is intended to at least double the present capacity of the yard. General Manager Geo. F. James and Supt. S. S. Cotton were in town by special train Monday to look over the property and arrange for the construction of the new tracks. After May 1st it is understood that all freight business between the Rutland and the Boston and Maine railroad will be interchanged here instead of Hoosick Junction as at present.

GRADED SCHOOL NOTES.

Examinations were held in the different grades last week.

Two base ball teams have been organized from members of sophomore and freshman classes.

It is expected that at the beginning of the spring term the new piano will be in place in the high school.

Most of the teachers of the various departments are spending their vacation at their respective homes.

Each member of the senior class is preparing a series of essays, the best of which will be used for commencement.

Some few changes have been made in the course of studies in the different classes of the high school. These are to take effect at the opening of the spring term.
